SUBJECT

Bhagat Singh Circle needs a working traffic signal

We, the undersigned residents of Alwar, respectfully submit this petition backed by 1,842 verified signatures collected on Voetle. We call on Superintendent of Police, Alwar to take prompt action on the matter set out below.

The signal at Bhagat Singh Circle has been blinking yellow for months. School vans, buses and trucks cross unmanaged in peak hours. Three accidents in the last month alone — one involving a school rickshaw.

Location concerned: Bhagat Singh Circle junction.

IN THE WORDS OF RESIDENTS

“My son's school van crosses this junction twice a day. A traffic warden was posted here for exactly two days after the last accident, then vanished. We need a real signal.”

“The signal poles are already installed — they just were never switched on. This is a fixable problem this week if someone gives the order.”

— Rahul T., verified resident · 167 residents agreed
